

Religious Bibliography of William Stafford
Edited by Travis Poling
March 2019

Listed works either appear in religiously-affiliated publications or discuss themes of religion and spirituality. Some works may not be directly about Stafford, but quote or refer to him within a wider context of religious life. Also included are works that may not be entirely about religion, but they mention it in a significant way. More sources will be added as they are discovered.

Church of the Brethren Publishers & Authors

The Church of the Brethren has published more of William Stafford's work than any other single religious group, with two books and numerous poems and articles. Brethren authors who published with non-Brethren publishers are also included under this heading.
